

Parent's Guide to the Accelerated Reading (AR) Programme

1. Introduction

What is Accelerated Reading (AR)?

Accelerated Reading is a personalized reading program designed to improve your child's reading skills, comprehension, and love for books.

Why it matters: Builds reading confidence Improves comprehension Encourages consistent reading habits Makes learning fun and interactive

2. How the Programme Works

1. **Book Selection:** Children choose books at their own reading level.
2. **Reading:** They read at their own pace.
3. **Quizzes:** Short quizzes test comprehension.
4. **Feedback & Progress:** Results help track growth and set goals.

3. Understanding Reading Levels

ZPD (Zone of Proximal Development): Your child's optimal reading range—ensures books are not too easy or too hard.

Staying within the ZPD improves comprehension and builds confidence.

4. Role of Parents

- Encourage regular reading at home
- Help your child pick books in their range
- Discuss stories and ask questions
- Celebrate achievements and milestones

5. Tips to Support Your Child

- Set aside a quiet, comfortable reading space
- Make reading part of the daily routine
- Ask your child to summarize stories
- Reward progress to boost motivation

6. Monitoring Progress

Teachers provide regular updates on your child's reading progress. You can view scores, book lists, and comprehension levels to support their journey.

7. Benefits of Accelerated Reading

- Improved vocabulary and comprehension
- Higher reading confidence
- Independent reading habits
- Personalized learning pace

8. FAQs

Q: What if my child struggles with quizzes?

A: Encourage them to read slowly, discuss the story, and choose books in their ZPD.

Q: Can my child read books from home?

A: Yes, as long as the book has a matching AR quiz.

Q: How often should my child read?

A: Aim for 20–30 minutes daily for steady progress.

9. Conclusion

Accelerated Reading empowers children to enjoy books while improving comprehension and confidence. With your support at home, reading becomes both fun and rewarding.
