### And Finally.....

A huge thank you to all of you for your support of our termly voluntary donation. You are very, very generous to the work of the school. We have plans to create a designated indoor sensory space and the money that you have so kindly donated will go a long way to helping us set up this much needed area. The online payment for the donation will remain open for the next couple of weeks. We will keep you updated with our progress towards the creation of our sensory space - and thank you again.

Well done to all the children and staff who represented the school so well this week in their various sporting endeavours. We have a lot of talent here in St. Colman's and the children show great pride and enthusiasm in playing for the school. We encourage our children to play as much sport as possible - from dance to Gaelic, netball and soccer... we are big enthusiasts for children's sport and can see the many benefits it gives to the children.

Enjoy your weekend.  
Mr S. Baine (Principal)
