Well done 😊

And Finally.....

Dear Parents,

Please just get them in.

In St. Colman's, we want our children to attend school and enjoy all of the excitement, colour and learning that school brings. We know from time to time that people sleep in or there are morning appointments that make the house a bit frantic. My house is no different and I have a 21 and a 20-year-old!!!

Don't keep the children off because you think they are too late to come in to school. They are never too late.

Don't worry. Just get the children in.

9.15am or 10.30? It doesn't matter, we are delighted to see the children arrive in with us. Once they arrive there are plenty of people here to see them into class and help them get settled in.

We will be glad to see them.

Enjoy your weekend.

Mr S. Baine (Principal)
